SYMMETRY - THE JUSTICE OF THINGS

Is something beautiful? Is it special? Unique? Or is it ugly? Insignificant?
Does symmetry make something twice as beautiful? Twice as ugly? Can symmetry turn something ugly into something beautiful? Does symmetry equalize everything? Because symmetry is already perfection in itself? Is symmetry justice?

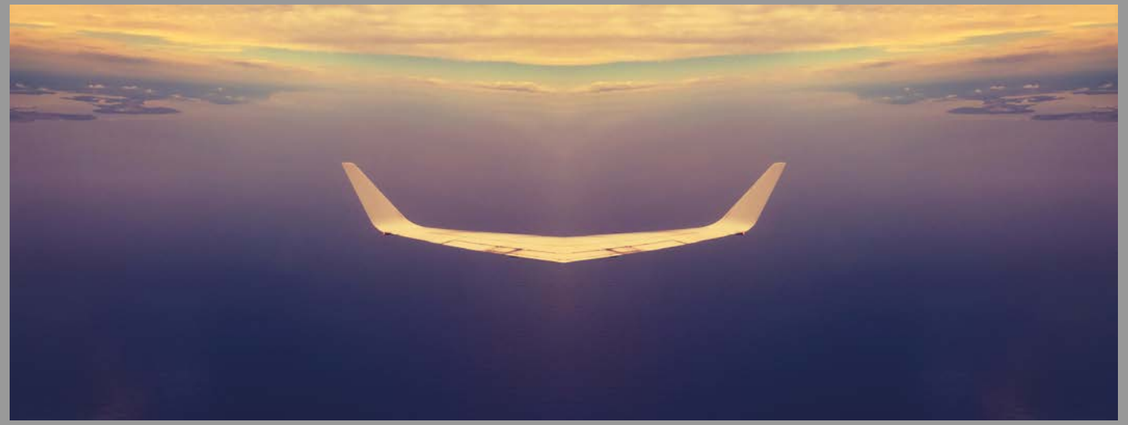

Ist etwas schön? Ist es besonders? Einzigartig? Oder ist es häßlich? Unbedeutend?
Macht Symmetrie etwas doppelt so schön, doppelt so häßlich?
Kann Symmetrie etwas Häßliches in etwas Schönes umwandeln? Gleicht Symmetrie alles aus? Weil Symmetrie für sich schon Perfektion ist? Ist Symmetrie Gerechtigkeit?
